- 4+1 BSME/MS in BIOENGINEERING

Most if not all of the projects offered by a faculty advisor will be on the cutting edge of science & technology and therefore will be of a competitive and timely nature. Hence, by signing this form the student understands that when a faculty member acts as a project advisor, it will constitute a considerable investment of the faculty's time, ideas and department resources and the student therefore agrees to commit and be actively involved in the project for its duration.

Student Signature: _____ Date: _____

Faculty Advisor(s) Signature(s): _____ Date: _____

Graduate Advisor Signature: _____ Date: _____

** Any request to change advisors or plans after working for more than one semester with the advisor will need to be made in writing and be sent to the Graduate Program Committee for review. The committee may request a meeting with the student.*
